

## **PIP BICKERSTAFFE 'WORKSHOPS'**

being held at RIVERSIDE ARCHERY CLUB, RYTON-ON-TYNE  
9<sup>TH</sup> AND 10<sup>TH</sup> OCTOBER 2010

An opportunity for anyone who has an interest in the history of archery or shoots a traditional bow, to learn more about the history of the longbow, it's construction & design, wooden arrows, shooting techniques, etc.

There is no formal question & answer session, as Pip prefers his audience to 'interrupt' with questions at any time, which means that his talk changes direction, according to the questions asked, and is never the same twice so even if you've been to one of these before there will always be something new

After lunch Pip will conduct a coaching session where he will demonstrate his own shooting technique and everyone can have-a-go with their own bow.

A few places remain available on the Sunday session so if anyone is interested in coming along contact Ian Norwood either by email to :- [i.norwood@sky.com](mailto:i.norwood@sky.com)

or by post to:-

**Ian Norwood & Ann Conifey,  
4 Lombard Drive, Chester-le-Street,  
Co. Durham DH3 4BD.**

If you do have to make contact by post, **please ring 07946537792 first**, in order to reserve your place, then follow up with your details and payment by post

The cost is £18 a head which covers the workshop plus refreshments. Just bring your lunch and a chair.
